1. World Curling Federation (WCF) rules apply, unless otherwise indicated below or explained at the Team Meeting (09:00 on Saturday, 28 February 2020).
2. Teams placed in one group, playing a round robin to establish the top six ranked teams for the play-off games.
3. Teams ranked 1 and 2 get a bye to the semi-finals. The teams ranked 3 to 6 play in qualification games (3v6 and 4v5). The winners of those qualification games advance to the semi-finals, with the 1st ranked team playing the lowest ranked winner and the 2nd ranked team playing the other team.
3. Qualification for the 2021 WWhCC: the top 8 Member Associations from the 2020 WWhCC plus the host qualify. 3 Member Associations will qualify from the 2020 WWhBCC.
4. All games will be eight (8) ends, with extra end(s) to break tied games.
5. There will be a nine (9) minute practice for each team before each round-robin game. The practice starts 30 minutes before the scheduled game time. The team with the first practice during the round robin will be the team with dark stones; except where marked in the draw where a coin toss will determine 1st and 2nd practice.
6. At the conclusion of the team's pre-game practice, two players each deliver a stone to the tee at the home end; the first stone with a clockwise rotation, and the second stone with a counter-clockwise rotation. The distances are combined to determine the Last Stone Draw (LSD) for that game. The team with the lesser LSD distance has the choice of delivering first or second stone in the first end. If the LSDs are equal, the best non-equalled LSD has the choice; if the individual LSDs are equal, a toss of the coin will determine which team has the choice.
7. First named teams in each draw play the stones with the dark coloured handles, and wear dark coloured upper playing garments. Second named teams in each draw play the stones with the light coloured handles, and wear light coloured upper playing garments.
8. The Chief Umpire will determine the schedule and ice for all post round robin games.
